FOUNDATIONAL

DOCUMENTS

JESUS CHAPEL SCHOOL GOVERNANCE STRUCTURE

JESUS CHAPEL SCHOOL ORGANIZATIONAL CHART

When communication regarding questions or problems is needed, parents are asked to address issues according to the chain of command listed in this chart. At whatever level a problem or question develops, the first attempt at resolution should be made with the person at that level. For example, if there is a problem involving an aide, first go to the aide with your questions and attempt a peaceable resolution. If the problem persists, ask for an appointment with the teacher who supervises that aide. Involving the department coordinator would be appropriate if there is still no resolution. The counselor will become involved in the rare instance that no resolution is found prior. If the counselor is unable to resolve the issue, he or she will take it to the administration. Parent should not take their problems straight to the administration unless there is a serious, life-threatening, or criminal situation that requires immediate, protective action.

JESUS CHAPEL SCHOOL STATEMENT OF FAITH

Jesus Chapel School is a ministry of Restoration Fellowship, and thus, maintains the same doctrinal positions. Teachers must uphold this doctrinal statement, regardless of their own theological position. Teachers who publicly malign our church or doctrinal position will not be allowed to teach at Jesus Chapel School. Students will be taught Charismatic theology in their Bible classes, and in Chapel services.

1. We believe the Bible to be inspired - the only infallible, authoritative Word of God.
2. We believe that there is only one God, eternally existent in three Persons: Father, Son, and Holy Spirit.
3. We believe in the Deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe that in order for lost and sinful men to be saved, regeneration by the Holy Spirit is absolutely essential.
5. We believe in the baptism of the Holy Spirit and the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to manifest both the fruit and gifts of the Spirit.
6. We believe in the resurrection of those who know Christ, and those who don't; one to eternal life in heaven, and the other to eternal death in hell.
7. We believe in the two sacraments instituted by the Lord Jesus – water baptism by emersion and the Lord's Supper (Communion). Baptism is a post –salvation picture of our spiritual death, burial, and resurrection. Communion is a remembrance of His body and blood given for us in covenant.
8. We believe in the spiritual unity of all believers under the Lordship of Jesus Christ and that they constitute the Church Universal, His Bride and Body, the Fullness of Him who fills all in all. The local church is a voluntary band of baptized believers gathered together to carry out the Great Commission.
9. We believe in the personal, physical, and imminent return of Jesus Christ to the earth and the consummation of all things.

Jesus Chapel School

Statement of Purpose

There are many different purposes and goals to which a Christian school can aspire. Some schools seek to be active evangelistic outreaches to the community. Others view themselves as “alternative schools” in which students are placed in a sheltered or more disciplined environment. Still other schools have no clear-cut purpose for existence.. Jesus Chapel School realizes that it cannot be all things to all men. We believe that God has equipped us for certain specific ministries and that we function best within that calling. To try to operate outside of the mission to which we are called would be a serious mistake.

Jesus Chapel School is a Christian School serving Christian families training Christian leaders. As such we affirm that:

1. We are an extension of the Christian home, and not a replacement for it. In cooperation with the Christian family, we can reinforce Biblical principles and values.
2. We teach Christian doctrine and are spiritually covered by Restoration Fellowship. Restoration Fellowship is an independent, non-denominational church, which is Charismatic in theology. Our students are introduced to the baptism of the Holy Spirit, the gifts and manifestations of the Holy Spirit, and the Spirit-filled life.
3. We believe in training the whole man: spirit, soul, and body. We believe that a Christian school does not need to sacrifice academic quality in order to minister to spiritual needs. The Apostle Paul’s exhortation to “do all to the glory of God” clearly instructs us that God is worthy of our best efforts in all areas, whether devotional, social, athletic, artistic, or academic. We work for excellence, not for our own glory, in order to raise up a generation of Christian leaders to influence our world.

Through experience, we have found that there are certain situations for which we are not called or equipped.

1. Jesus Chapel School is not a ministry designed for effective evangelism to youth. Our school functions as a place for discipling those who are already Christians. A student who has not already made a real commitment to the Lord will reap few benefits from our approach.
2. We are not a reform school. Students who have been on probation in previous schools, or have had encounters with the law are usually not be accepted as students. In the rare instances that we do enroll them, they are accepted provisionally and mentored, along with their parents.
3. Uncontrollable children or students who have had disciplinary difficulties in previous schools (i.e., difficulty concentrating, difficulty responding to verbal commands) will not be able to function positively in our setting. We do not have staff trained to deal with these specific problems.

4. We are not equipped as a remedial school for those with learning disabilities, nor do we have a program to effectively teach English as a second language. We will, however, accept students with these needs if we feel that they can function sufficiently in a “main stream” program.
5. We are not exclusively a school for the gifted and talented. Because of our size, we are able to offer a solid, basic college preparatory curriculum. There are some advanced electives and extra-curricular activities we are not able to offer. Prospective students should be aware that these are limitations within our curriculum.
6. We are not a public school. We are able to pray in the school, and we exercise that right. Christian conduct is expected of our students both on campus and off-campus. We will not be able to accommodate any parent wishing to send his son or daughter to Jesus Chapel for academic growth without spiritual instruction. We are first and foremost a spiritual training ground and not merely another institution of higher learning.

STATEMENT OF PHILOSOPHY OF EDUCATION

It is the intent of Jesus Chapel School to place the Lordship of Jesus Christ foremost the minds and hearts of its students, parents and staff. Parents are regarded as the God-ordained authority over their children. We believe that they have entrusted those children to Jesus Chapel School for the impartation of a godly heritage.

Jesus Chapel School deals with students as a three part being (body, soul, and spirit) who are created in the image of God for the purpose of relationship with Him. Programs within Jesus Chapel School address the needs of the whole person, training them to become young men and women who are fully prepared for life-success in both this and the 21st centuries and have an unshakable love relationship with the Lord Jesus Christ, fully prepared for life-success.

Education for the whole child (body, soul, and spirit) centers on the presence of God without neglecting a strong academic program. Jesus Chapel School invites the presence of God into its classrooms and activities. God's presence is experienced through, a number of ways: exposure to the knowledge of the written Word of God, application of His Word to each child's personality (character training), application of His Word to life situations (wisdom), and the use of the Word to effect change in the earth (power).

The presence of God must be invited and experienced through prayer, praise and worship. In short, Jesus Chapel School must do much more than include Bible memorization as a part of its curriculum. It must impart, through every means available, the resurrection life of the Lord Jesus Christ.

Providing academic and spiritual foundations upon which children may build their lives is no small task. In any classroom there are two agendas, two curriculums. The obvious one is the educational objectives (academic or spiritual), the "things" children learn and skills they develop. The other curriculum that is present in any and every classroom is the teacher herself or himself. The school views staff as the "living" curriculum – life models of character, integrity and morality that will mold the lives of children.

"Academic Excellence" demands knowledgeable, qualified, gifted instructors; the "presence of God" demands teachers who know His voice, His will, His ways, and His love for children. As iron sharpens iron, so the character and life-flow of the teacher has a profound effect upon the life of a child. Therefore, we must provide children with teachers who are both excellent instructors and lovers of God. Nothing or no one less will do.

Teaching and learning never occur in a vacuum. It is the intent of Jesus Chapel School to foster an environment that is conducive to learning, loving and growing. This environment will be one that fosters growth, freedom and curiosity. At the same time, it will promote respect, obedience, mercy, forgiveness, and indeed all of the fruits of the Spirit.

Although Jesus Chapel School accepts students from all church backgrounds, the school emphasizes the uncompromised Word of God, the full release of the Holy Spirit within the school and the freedom of the gifts of the Holy Spirit. This is accomplished by recognizing the rightful place of the Holy Spirit in the life of the believer and the rightful function of His gifts through those who have been baptized in the Holy Spirit. Therefore, Jesus Chapel School leads children into the baptism in the Holy Spirit, and a life that allows His gifts and His character to operate and flow in their lives. The end product are an array of students who evidence a life overflowing with the presence of God, a knowledge and obedience to the Word, sensitivity to the voice of God, and receptivity to the power of God.

It is important that Jesus Chapel School has goals in math, science, social studies and other academic subjects, the fine arts, music, art, physical education and other educational subjects. However, these very necessary goals must have the overarching goals of thinking and living as a genuine Christian – to have a completely God-centered orientation of life, to develop a biblical world view, to create under God a Christian mind. Ultimately, our goal is to bring our students to a point where they are able to see things as God sees them, being able to think God’s thoughts after Him. This view must permeate the very life of the school – staff and students. The final outcome is a biblical lifestyle.

One of the keys to having this kind of lifestyle is fostering an inward conformity to Christ. It is having the “mind of Christ” (I Corinthians. 2:16). It is having Christ “formed” in the students (Gal. 4:19). It is to be changed into His “image from glory to glory” (2 Cor.3:18). The goal of every staff person and student is a “spontaneous affinity for everything Christ is.” That is, what He loves, our students and staff love. What He endorses, they endorse. What He rejects, they reject. His will is their will. His revulsions and His pleasures become theirs.

The goal of Jesus Chapel School is to bring every student to a point in his own life where the behavior and actions he chooses are a natural outgrowth of a Spirit-filled heart with its underlying motive to please God.

“May our sons flourish in their youth like well-nurtured plants. May our daughters be like graceful pillars, carved to beautify a palace.”

Psalms 144:12 (NLT)

Jesus Chapel School Statement on Marriage, Gender and Sexuality

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27.) Rejection of one's biological sex is a rejection of the image of God within that person. This belief also accounts for (1) dressing in conformance with one's biological sex; (2) using the restrooms, locker rooms, and changing facilities conforming to one's biological sex. "Biological sex" means the condition of being male or female, which is determined by a person's chromosomes, and is identified at birth by a person's anatomy. Those who reject their biological sex are sometimes referred to as "transgender."

We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in an exclusive union, as delineated in Scripture. (Gen 2:18-25.) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Cor 6:18; 7:2-5; Heb 13:4.) We believe that God has commanded that no intimate sexual activity be engaged in outside of the bounds of marriage between one man and one woman.

We believe that any form of sexual immorality and sexual conduct outside the marital union of one man and one woman (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1 Cor 6:9-10.)

We believe that in order to preserve the function and integrity of Jesus Chapel School (JCS) as an expression of the local Body of Christ, and to provide a biblical role model to the families of JCS and the community, it is imperative that all persons employed by JCS, in any capacity, agree to and abide by this Statement on Marriage, Gender, and Sexuality. (Matt 5:16; Phil 2:14-16; 1 Thess 5:22.)

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9-11.)

The Sanctity of Human Life

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life. (Ps 139.)

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31.) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of Jesus Chapel School.

Final Authority for Matters of Belief and Conduct

The statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Jesus Chapel School's faith, doctrine, practice, policy, and discipline, the school board is the school's final interpretive authority on the Bible's meaning and application.

Please note students, families and/or employees who fail to abide by the above policies, and those contained in their respective handbooks, will be subject to denied enrollment/re-enrollment, expulsion or termination, as the case may be.

JESUS CHAPEL SCHOOL STATEMENT OF NONDISCRIMINATION

Jesus Chapel School admits students, employs faculty, and administrative staff, of any race, color, national or ethnic origin and extends to all persons equal rights, privileges, programs, and activities. This school recognizes it is not able to meet the educational needs of all children; however, it does not discriminate on the basis of color, race, national or ethnic origin in administration of its policies.

This does not necessarily preclude Jesus Chapel School from establishing such selection criteria and specific prerequisite requirements for participation in its programs, activities, and other services as may be necessary to fulfill the purposes and goals of the school and as would be consistent with sound and reasonable educational practices and the dictates of the Word of God.

ACCREDITATION

Jesus Chapel School has been accredited by ICAA (International Christian Accrediting Association) It is also accredited by AdvancED. As such, it is recognized by TEPSAC (Texas Private School Accrediting Commission) an arm of Texas Education Agency.

Jesus Chapel School's policy on fee reimbursement, as determined by its governing board, is as follows:

This includes tuition and all related fees as set out in said contract..

Fees, such as enrollment fees, class fees, book fees, etc. are not reimbursed.

Although registration fees are NEVER reimbursable, other adjustments may be made in cases where job transfers occur, severe illness results in long-term inability to honor the contract, or

other serious circumstances. The school board will evaluate each circumstance on an individual basis and will extend grace to those in crisis situations.

EMERGENCY SITUATIONS / FIRE DRILLS

Emergency situations will be dealt with in the front office.

Fire drills are practiced and each teacher instructed as to the procedures of quickly and effectively evacuating the buildings.

In the case of a major emergency situation such as a bomb threat, a hostage situation, a campus lock-down or any other city-wide emergency:

- an emergency bulletin would immediately be send to all parents via email and
- an emergency bulletin would be posted on the JCS PlusPortals Home page.
- Via text through Rediker App Notify

If the campus must be evacuated, for any reason, Album Park and the Rec Center would become the emergency response area.

FIELD TRIPS

Both educational and honor field trips are scheduled by the teachers. Educational excursions are held for the entire class. Honor trips are provided as incentives for those who meet all the minimum requirements.

Although off-campus educational trips are of real enjoyment for the students, they are designed primarily to enrich learning. Teachers may ask students to take notes and complete tests upon returning to school.

Students participating in away-from-school functions are required to obey teachers and appointed leaders in all things. Students are not to leave the group or building in which they have been asked to remain. The dress and appearance of students should be in keeping with the dress code of the school. Any student with inappropriate attire will not be allowed to participate.

Blanket permission slips are signed and notarized either at registration or upon acceptance.

FUNDRAISING

It is the desire of the Board of Jesus Chapel School to make a Christian education financially viable for as many Christian families as possible, and as such, we have committed to keeping tuition increases at a minimum. However, the programs and activities which define our wonderful school require financial resources. It is therefore required that all families participate in fundraising each year while enrolled at JCS.

Each school year, every family will be required to meet a minimum fundraising goal of \$1,200.00 through 3 school wide fundraisers, which are determined by administration annually. There are several options available to facilitate this obligation. Please refer to the Fundraising Contract available in the Jesus Chapel School Office for specific details.

The only organizations which hold additional fundraisers are: athletics and senior class. Their fundraisers are limited to five for each organization. These organizations are encouraged to hold fundraisers externally of the school population, although some are done specifically to meet certain needs which the school may have, such as sports/cheer camps, t-shirt sales, or special dinners.

Parent Meetings

There is a parent orientation on the first Monday that school begins. At least one parents from each household is required to attend, including returning families. This meeting provides important information for the upcoming year.

The administration of the school desires to have communication and input from each parent meetings serve as a good time to share ideas and concerns. We at Jesus Chapel School appreciate all the extra help and volunteer work that is done.

SUPPLIES & MATERIALS

Each year at registration, a school supply list for each class will be given. When additional materials are needed for special projects the student will always be given at least one week to obtain the required materials. Failure to bring such materials could result in disciplinary action or in the case of materials for a class project, failure to bring materials could affect the student's grade.

SECTION IV

STUDENT

INFORMATION

ATTENDANCE

The state compulsory attendance law requires that a student attend class at least 90% of regularly scheduled class time during an academic year. In accordance and compliance with state this law, Jesus Chapel School allows a maximum of 18 days per school year for PK through 7th grade students, and 9 days per semester for 8th – 12th grade students. These days are to be used at the discretion of the parents and are to include both excused and unexcused absences. Upon the 19th absence in a year for PK through 7th grade student the student would not be allowed to advance to the next grade.

For grades 8th-12th absences are determined for each individual course. Upon the 10th absence in a semester, for 8th – 12th grade students, no credit will be given in the course.

- **Excused absences:** (sickness, funeral, doctor/orthodontist appointments, etc.) No student is excused if absent more than three days in a row from a class without a doctor's note to return. No student will be allowed out of P.E. classes without a note from a doctor if absence exceeds three days. Less than three, a note from the parent is required. With excused absences, the student has as many days to make up work as he was absent.
- **Unexcused absences:** (out-of-town trips, stay home because of company, weddings) Students are to check with teachers for work and turn it in before leaving. If a student has an unexcused absence and does not get work before leaving, the student will not be allowed to make up the work and will receive a zero on those assignments.

TARDINESS

A student is considered tardy if he is not in class or line by the time the tardy bell rings at 7:50 a.m. Continued tardiness will necessitate a conference with parent and principal, possibly leading to revocation of student privileges, and possibly suspension. In accordance with local school policies the following will be enforced for elementary students:

For PK – 7th grade students:

- Three (3) tardies of more than 30 minutes will result in a one-half day absence.
- Until 10:55 a.m. an elementary student will be considered tardy.
- Entrance after 10:55am it is ½ day absent.
- Dismissal before 2:00pm is ½ day absent.

For 8th-12th grade students:

- If a student misses more than 15 minutes in a class (at the beginning or at the end) he/she will be considered absent.
- Three tardies will constitute one absence.

Excused tardies include but are not limited to:

- Doctor's appointments, car trouble, or if a student is in a car pool of another parent.

Unexcused tardies include but are not limited to:

- Up late, start late, can't find car keys, ate late, left something at home and had to go back, walked in after tardy bell.

Marks are given for unexcused tardies. Every 6 weeks, there are disciplinary measures for unexcused tardies. For the 4th tardy in a 6-week period, the student is given lunch detention. After the 5th tardy, the

student is given Friday detention, and a parent conference is required. After the 6th tardy, the student will be suspended for 1 day with all zeros. After the 7th tardy, a letter of warning will be sent, and the student may be subject to expulsion.

PASSES

A hall pass should be given by a teacher to any student leaving the classroom, except for breaks, lunch or class activities. Each time a student leaves the classroom, he must have a pass.

BAD WEATHER DAYS

For the most part, Jesus Chapel School adheres to the Ysleta School District decision when there is inclement weather. However, the school will communicate **specifically in regards to JCS by 6:30 a.m.** on any inclement weather day as follows:

1. Posting information on PlusPortals
2. An email to every parent & student
3. A message on the school telephone.
4. A text message via Rediker's App Notify.

PROCEDURE FOR SICK STUDENTS

When students are sick they will be sent by their teacher to the school office. The school office will contact the school nurse. The nurse will evaluate them and determine if they need to be sent home. The nurse will either attend to them or send them back to the office with written instructions as to the action to be taken. Students may wait in the office to be picked up. **At no time is a student to call home and asked to be picked up.** All communications for sick students will be initiated by Jesus Chapel faculty and/or staff. If a student calls a parent from their cell phone, the parent will be assessed a cell phone fee and the student will not be allowed to go home.

Medication for children must be turned in at the office with the appropriate medication form and written instructions for disbursement. In accordance with new health guideline, all medications, even over the counter drugs, must be labeled from a pharmacy.

All students must have updated shot records. A report is filed with the state each year. Notice will be given when updates are required. Failure to comply by the specified date will result in student absence from class until the record is current.

Vision screening is done each year for all new students and all students in odd grades Pre K -12. Hearing screening is also done as prescribed by the state health agencies.

DRESS CODE

Philosophy on Personal Appearance

One assumes a certain amount of independence in the choice of clothing, and rightly so. Clothing has always been a vehicle for self-expression and a way to establish individual distinctiveness. Appearance is also important in a community context, though, and deserves to be addressed in a learning environment such as a Christian school. The following assumptions govern our thinking and perpetuate our continuing commitment to a uniform community:

Pressures felt by students to compete in areas of dress and fashion are destructive to the unity of the body of Christ and present a great challenge to families to train their children to love one another and to see meaning for their own identity in the Lord Jesus Christ, not in external appearances to this life. Your appearance affects your behavior and behavior of your peers. If your appearance is excessive or draws attention to itself in some way, then you are a distraction to the tasks at hand which are education and maturity.

There are two extremes of clothing: being overly concerned and having no concern. Both extremes will distract from and interfere with the learning process. “You, my brothers, were called to be free. But do not use your freedom to indulge the sinful nature; rather, serve one another in love. The entire law is summed up in a single command:

‘Love your neighbor as yourself.’”

Galatians 5:13 – 14

Community interests take precedence over personal preferences. Personal sacrifices are inevitable whenever a group of people function in a close setting. The Biblical principle as taught and modeled by Paul was the limiting of one’s own preferences and rights for the sake of others. Unless a rule or expectation is a violation of Scripture or an individual’s integrity, personal life-style choice like dress and conduct are acceptable when within the confines imposed by the community as a whole.

Your appearance sets the tone in our environment. That which is visible often represents and establishes that which is not visible. In this case, since clothing influences mentality and appearances affect group living, our standards of dress aid in shaping the overall climate of the place in which we operate. We want to be proud of our learning environments, no matter what the current standards and taste of our society. “Your beauty should not come from outward adornment, such as braided hair and the wearing of gold jewelry and fine clothes. Instead, it should be that of your inner self, the unfading beauty of a gently and quiet spirit, which is of great worth in God’s sight.” I Peter 3:3-4

SPECIAL SERVICES AVAILABLE

Tutorial: Most of the teachers offer tutoring, as do members of the National Honor Society. Contact a tutor through with the school office.

Pastoral Services: Jesus Chapel School students have availability to the pastoral staff of Restoration Fellowship as well as their home churches. The administrators also have training and experience in pastoral counseling. In cases where more expertise is needed the school will offer the names and numbers of counselors or counseling services.

Academic Diagnosis: While there are certain academic issues which we have the materials and staff to diagnose, we do not offer diagnostic services. JCS may make recommendations to local school districts for services, or will refer parents to private diagnosticians

ATHLETICS

The athletic programs at Jesus Chapel School are not designed to be “participatory” programs such as a church league or an afterschool program. Our goal is to build knowledge and skill from one year to the next and in so doing establish a competitive athletic program which will prepare to participate at a collegiate level. While all students are encouraged to try-out for athletic teams, it should be noted that in volleyball and basketball not all students will make the team. The students not “cut” in high school volleyball and basketball will be divided into Junior Varsity and Varsity teams according to ability.

Every effort will be made in Junior High and Junior Varsity to allow all students to play every game, but students and parents need to understand that because of the competitive nature of the program, the most experienced and most capable students will naturally see more playing time. At the Varsity level, playing time is determined entirely by ability, knowledge, effort and leadership; playing time is not guaranteed.

A recognition banquet is held during May of every year, for all secondary athletes. All athletes are recognized for participation. In Junior High, the following special recognitions will also be awarded:

OURSTANDING QUALITY

- Based on athletic excellence in a sport
(ie: leading scorer, most aces, most rebounds, etc.)

MVP

- Based on athletic skill & leadership in a sport

In High School there are five levels of awards:

LETTERING:

- Based on participation in Team Sports
- And contribution in Track (score at least one point in one track meet)

OURSTANDING QUALITY

- Based on athletic excellence in a sport
(ie: leading scorer, most aces, most rebounds, etc.)

MVP

- Based on athletic skill & leadership in a sport

TAPPS HONORS

- Voted on by Coaches in League

STUDENT ATHLETE OF THE YEAR

- Multi-sport (highest level of commitment & contribution)

FINE ARTS

Jesus Chapel School believes that every student has dramatic, musical and/or artistic talents which need to be developed to their fullest potential. In elementary all students will be enrolled in art, computers, and music. When students reach the 5th grade they may enroll in elementary band. In Junior High every student must choose two of the following: Art, Band, Performing Arts, Media Technology.

In High School all students must have a minimum of two fine arts credits for graduation, one of which must be a performing art. The classes available include: visual arts, band, performing arts, multimedia communications, and multimedia film.

All fine art courses are considered to be “competition classes. Students who enroll in these classes do it with the full understanding that they are committing to be involved in TAPPS. Students who enroll in these classes and then decide not to attend or compete will fail the course for the semester.

SPIRITUAL DEVELOPMENT (CHAPEL, DEVOTIONS)

Jesus Chapel School offers a variety of avenues for the spiritual development of the student body. On Monday of each week we have Chapel service. In elementary Chapel is led by our Children's pastor. In secondary the services are led by our youth pastor. Bible classes are held Tuesday-Thursday.

Jesus Chapel School is a charismatic ministry. All teachings will be aligned to our Statement of Faith. We will require all students to show love, respect and adoration to The Lord in all of our services. We do believe in the manifestation gifts of the Spirit, and we will encourage students to demonstrate expressions of worship, but we will never force a student to demonstrate a specific gift or manifestation.

Practical Ministry: At different times during all the year students (PK-12) participate in outreaches throughout the area. Such outreaches include food, clothing, and toy drives.

STATEMENT ON DISCIPLINE

Jesus Chapel School recognizes that it cannot meet the educational needs of all children. The school offers a high quality of Christian education, but is not designed to be a correctional institution for problems arising beyond those usually encountered in average school children. While we love delinquent and emotionally unstable children, the school is not equipped to meet their needs. Some children do not adjust to a disciplined academic environment and find excuses to criticize the policies and decisions of staff and administration. In such cases, the school reserves the right to have full discretion in discipline, with corporal discipline used if considered appropriate. The school also reserves the right to place such students on probation for a reasonable corrective period of time and to dismiss any student who does not cooperate with the total educational process.
